**ADDENDUM TO PETITION FOR ACTION ON  
CONDITIONS OF PRETRIAL RELEASE**

While on supervision the defendant has had numerous unauthorized leaves from his residence. Pretrial Services has addressed this non compliance with the defendant, defense counsel, third party custodian and the Assistant United States Attorney Office. However, he continues to have numerous unauthorized leaves from his residence.

On November 22, 2010 Pretrial Services submitted an informational memo to Your Honor advising of the defendant's numerous unauthorized leaves while on supervision. Specifically, leaving his residence for approximately one hour on November 12, 2011. At that time the defendant expressed interest in finding employment.

Pretrial Services has made several attempts to assist the defendant in obtaining employment and he fails to follow through with any of the referrals. Specifically, Pretrial Services referred the defendant to the Work Force Development program on two separate occasions to assist in him getting his boiler's license and he failed to follow up with this.

On May 3, 2011 Pretrial Services conducted an unannounced home visit and asked the defendant to submit to a drug test. After briefly stalling he advised that he used marijuana on May 1, 2011. Pretrial Services attempted to contact the defendant on May 11, 2011 to report to the office for a drug test, but he failed to call Pretrial Services back.

The defendant has had prior positive drug tests for marijuana while on supervision. Pretrial Services referred the defendant for out patient drug treatment in June, 2010 in a response to his positive drug tests. He attended one session and then informed the counselor that he did not want to participate in treatment.

Counsel has been advised of these violations and the Government concurs with Pretrial Services recommendation for a Bail Violation Hearing.
